*Since Sam Williams has become an inactive Past President we would like to have him removed from all MQHYA financial accounts. We are going to add Susan McBeath to all the MQHYA Financial accounts. A motion was made to remove Sam Williams and add Susan McBeath by Dalton Culpepper and second by Bailey Carwile. Since MQHYA has a Merrill Edge account that we are paying hundreds of \$ to keep there, the youth want to move the money to an interest earning account. MQHYA also has a surplus of money in their checking account, a motion was made by Dalton Culpepper, that the Youth Committee move around the money (Merrill Edge & Checking) to make the best financial gains for the association without risking any of it. This was second by Webb Harrison, and all the rest of the members present were in favor of this.
